RISE WCMX Program is going to change locations every other week for skaters to try new courses and learn new tricks. RISE will keep you updated through Social Media and Email. Check the RISE Calendar location when making your next reservation!

RISE is putting recreation back into recreational rugby on Friday nights in 2016. If you haven't been in a while, we invite you to come back and see what's changed. Come out and have some fun from 7-9pm on Friday nights. Check our online calendar for dates and make a reservation 48 hours in advance, and we'll have a rugby chair waiting for you. See you there!

Welcome Cayla Newkirk / RISE Program Manager to our staff. She will be overseeing numerous RISE Programs. Cayla graduated from Texas Woman's University with her bachelor's degree in Adaptive Physical Education. She then went on to pursue her Masters degree in Adaptive Physical Activity from Slippery Rock University in Pennsylvania. Cayla has worked as a program supervisor for a nonprofit organization in New York and as a special education teacher in Texas. She thoroughly enjoys sports of all abilities but especially team sports. Her hobbies include doing jigsaw puzzles, traveling all over the world, and running. She looks forward to learning from all the athletes at RISE and hopes to help them reach their potential goals!

Welcome Caity Stolzer / RISE Program Manager to our staff. Caity will oversee numerous RISE Programs. Caity recently graduated from Texas Woman's University with a bachelors in Kinesiology. This fall she will be continuing her education in Texas Woman's University's Adaptive Physical Education Master's program. She is the

She loves cooking and spending quality time with her friends and family. She also enjoys reading and photography. Since her introduction to adaptive sports, she quickly fell in love with the confidence and independence that they can give the players. She has been volunteering with RISE, when possible, for a year now and with this new position, is extremely excited to continue her time with all of them.
